## Philly for Pre-K Kick-off

April 24<sup>th</sup>, 7pm at United Way

1709 Ben Franklin Parkway, Philadelphia PA 19103

All children need to be ready for Kindergarten. Children with access to high quality pre-k are more likely to advance grades and have improved social skills. When all children are ready to learn, our schools and communities are made stronger.

**Join us to learn more about this exciting campaign and explore ways we can make sure elected leaders prioritize pre-k in 2014.**
